NEWPORT BEACH, Calif., March 14, 2023 /PRNEWswire/ -- Chipotle Mexican Grill (NYSE: CMG) today announced it is launching Chicken al Pastor, a new protein option that levels up any go-to Chipotle order with a sophisticated flavor profile and elevated taste. This week, Chicken al Pastor is rolling out at Chipotle restaurants worldwide for a limited time, marking the first time the Company has launched a new menu innovation globally.

A Uniquely Chipotle Take on Al Pastor

According to a recent report, al pastor is one of the fastest growing Mexican dishes**. The same report also indicates that 43% of consumers choose to dine at restaurants with menu items that they cannot easily make at home, or do not make at home. Chipotle tapped into these recent consumer trends to bring fans a new, craveable menu innovation to spice up their go-to order with a uniquely Chipotle al pastor preparation.

Prepared in small batches throughout the day, Chicken al Pastor is made with humanely and Responsibly Raised® chicken, seasoned with a powerful marinade of Chipotle's signature adobo, morita peppers and ground achiote with a splash of pineapple. It's finished with fresh lime, and hand-chopped cilantro to create a well-balanced flavor with just the right amount of heat. Chipotle's new chicken is juicy and aromatic with slightly smoky notes and a hint of fruitiness that evokes the flavor of traditional al pastor in a delicious way.

"Guests are looking to restaurants for unique menu items they cannot make at home, and al pastor has been gaining mass appeal in recent years," said Chris Brandt, Chief Marketing Officer. "We've put our own spicy spin on al pastor with our freshly grilled chicken and have created a truly delicious menu item that fans will crave. It's where fire meets flavor."

Chicken al Pastor joins Chipotle's menu of customizable burritos, burrito bowls, salads, quesadillas, and tacos for fans to switch up their favorite entrée in a whole new way.

Globally Inspired Flavors On An International Stage

As Chipotle sets its sights on international growth, the brand is expanding access to its craveable menu innovations by launching Chicken al Pastor at all 3,200+ company-owned Chipotle restaurants worldwide. For the first time ever, Chipotle fans in the U.S., Canada, U.K., France, and Germany will simultaneously have access to Chipotle's latest menu innovation.
