Chipotle IQ 4.0

Chipotle is tapping into the third most popular trivia category — food — to appeal to trivia lovers and brand fans with Chipotle IQ**. The fan-favorite game is back with a fourth edition after ongoing fanfare. Last year, the 100,000 BOGO offers reserved for players who scored a perfect 10 out of 10 on the test were awarded in less than one hour after the game went live.

Tutor Tips From The Chipotle Team

Chipotle enlisted a former restaurant team-member-turned-creator Jordan Howlett, aka Jordan The Stallion, to help fans with Chipotle IQ's extra credit questions. As a former Chipotle employee, Jordan is the perfect Chipotle IQ tutor.

"Chipotle IQ has become a beloved game for our fans that tests their brand knowledge and rewards them with a BOGO for getting a perfect score," said Stephanie Perdue, Vice President of Brand Marketing. "We've introduced a new set of Chipotle trivia questions that put even our biggest superfans to the test."
